Dear Fuhs Clan:

I am following up on the genealogy project we discussed at our Family Reunion. I am pleased to report we finally have the family tree growing in the right direction with the much appreciated computer help of Sean Jennings. We feel we have 95% of it completed but we are still missing some dates of birth. We will need these dates along with the **County, City, and the State or Country** of birth in order to do the research necessary to finish growing the tree. I have enclosed a sample of some of the pictures I have collected from both the Tokich family and the Fuhs family. I have also enclosed a list of the descendants of John Fuhs and the descendants of Nicholas Tokich. The family trees are included as well. The John Fuhs tree is 5 pages and must be layed out in order to get the full view. If you can help please send the missing information to the above Street or E-Mail address. I hope to keep an updated family tree posted on my website: **hankfuhs.org**.

I would also like your current address along with your E-Mail address so that I can keep you up to date on our progress.

I would like to put together a 30 – 40 page booklet about the Fuhs Family History. If you have stories, pictures, ideas, or would be willing to help complete this project please contact me. This will be an expensive undertaking so I have set up a Fuhs Genealogy account and put in \$100 to start it off. Any donations would be much appreciated.

Merry Christmas To All

Sincerely,

Hank Fuhs

It is extremely important that we receive dates of birth and dates of death, along with the County, City, and State or Country for John Fuhs and Margaret Krampert (Fuhs). We will need these dates in order to research the family tree further. Please send any information you may have to Hank Fuhs.

Please send information to the following address:
